

# Futuro Infantil Hispano Newsletter / Boletín Informativo

FIH would like to wish all of our families a wonderful and healthy 2018

 **F.I.H will be having a CPR & First Aid training on Saturday, 01/20/18**

Please call to RSVP 626-339-1824

Foster homes must remain in compliance with requirements, specifically CPR/First Aid, yearly training hours and required documents for placements of foster children. If unable to attend 01/20/18 CPR & 1st Aid training at the agency contact your local Red Cross Chapter for information and classes available in your area.

F.I.H will be closed on Monday, January 15th to observe

Martin Luther King Day and on Monday, February

19th to observe Presidents Day

## Congratulations

to

**FIH FFA**

**For becoming Nationally Accredited with Council on Accreditation**

Safety\*\*\*Safety\*\*\*Safety\*\*\*Safety

Christmas is now behind us, let's help our children enjoy their new bikes, scooters or skateboards with safety.

Even a simple fall can cause a life threatening head injury. The brain is fragile and often does not heal the way that broken bones can. The damage can stay with you for life. Properly fitted helmets provide protection. By law, bicycle riders under 18 years of age must wear a bicycle helmet while riding on a public road.

Bike Helmet Safety Checklist

● **Helmet must not be too big or small**

- **Helmet sits:**
  - level on head
  - two fingers above the eyebrows

● **Straps must:**

- lie flat
- not be loose
- meet under the ear in a "V" shape

● **Chin strap must fit snugly**

- one finger width between chin strap & chin

● **Helmet must not move once strapped in place**

● **Helmet must have no:**

- paint stickers
- crack, dents or damage

● **Certified helmet**

- CSA, ASTM, CPSC or Snell
