Where can I get my fire extinguisher serviced?

The fire extinguishers need to be serviced once a year or
 a new one must be purchased and the receipt for it
 submitted for your records. All fire extinguishers need
 to have a tag dated with the last time it was serviced. To
 find a fire extinguisher service center near you, look in
 your yellow pages or internet. The social
 worker visiting your home will look for the
 expiration tag on all extinguishers every year. If
 extinguishers are new the social worker will be
 ask for the receipt.

En donde puedo obtener servicio para mi
 extinguidor de fuego? Los extinguidores de fuego deben
 ser revisados una vez al año y deben tener un sello
 vigente con la fecha en que se les dió el servicio. Busque
 en las páginas amarillas o en el internet para localizar un
 lugar especializado en este servicio. El trabajador social
 revisara las fechas de expiración en los extinguidores . Si
 son nuevos entonces el trabajador social le pedira el
 recibo.
