*F.I.H would like to Thank you
Dr. R. Suarez, Staff, Patients
and Associates for the
wonderful toy drive.*

*We again this year were able to
meet our goal and with your
help provide each child with a
toy. We appreciate your
generosity and thoughtfulness.
Thank you!*

Respite care refers to one foster family caring for another family's foster children for a short amount of time. This allows for the children's original foster family to have a break, go on vacation or simply attend to a family emergency.

Please remember to be flexible when you are asked to do respite care for you might need the same services some-time soon.

Thank you for all the foster parents who provided respite care during the holidays. It is extremely difficult to find available homes willing to provide respite during the busy holiday season. Special thanks to

Where can I get my fire extinguisher serviced?

The fire extinguishers need to be serviced once a year or a new purchased and receipt submitted for your records. All fire

extinguishers need to have a tag dated with the last time it was serviced. To find a fire extinguisher service center near you, look in your yellow pages or internet. Social Worker will be looking for the expiration tag on all extinguishers. If extinguishers are new, social worker will be asking for the receipt.

En donde puedo obtener servicio para mi extinguidor de fuego? Los extinguidores de fuego deben ser revisados una vez al año y deben tener un sello vigente con la fecha en que se les dió el servicio. Busque en las páginas amarillas o en el internet para localizar un lugar especializado en este servicio. El trabajador social revisara las fechas de expiración en los extinguidores . Si son nuevos entonces el trabajador social le pedira el recibo.
