Where can I get my fire extinguisher serviced?

The fire extinguishers need to be serviced once a year. All extinguishers need to have a tag dated with the last time it was serviced. To find a fire extinguisher service center near you, look in the yellow pages. QA will be looking for the expiration tag on all extinguishers. If extinguishers are new agency representative will be asking for the **receipt**.

En donde puedo obtener servicio para mi extinguidor de fuego?

Los extinguidores de fuego deben ser revisados una vez al año y deben tener un sello vigente con la fecha en que se les dio el servicio. Para localizar un lugar especializado en este servicio, busque en las páginas amarillas de su directorio telefónico. Representante de la agencia revisará la fecha de vencimiento en sus extinguidores de fuego y si es nuevo le pedirá un **recibo**.
