Foster Parent training is available at your local School District and City Community Colleges.

Foster Parents:

Please remember to submit original receipts of the clothing purchased for the previous month of children in your care and no later than the last visit by the agency social worker to your home for these.

Where can I get my fire extinguisher serviced?

The fire extinguishers need to be serviced once a year or a new one must be purchased and the receipt for it submitted for your records. All fire extinguishers need to have a tag dated with the last time it was serviced. To find a fire extinguisher service center near you, look in your yellow pages or internet. The social worker visiting your home needs to look at the expiration tag on all extinguishers every year. If extinguishers are new provide the social worker a receipt.

Donde puedo obtener servicio para el extinguidor de fuego?

Los extinguidores de fuego deben ser revisados una vez al año y deben tener un sello vigente con la fecha en que se les dió el servicio. Busque en las páginas amarillas o en el internet para localizar un lugar especializado en este servicio. El trabajador social revisará las fechas de expiración en los extinguidores. Si son nuevos entonces el trabajador social le pedirá el recibo de compra.

The agency is looking for Foster Parents interested in anyone of the two programs described.
