CPR & First Aid

All Foster homes that are not in compliance with all recertification requirements, specifically CPR/First Aid, yearly training hours and required documents will be placed on hold for placements until compliance is reached. CPR will be held once a month in West Covina from 6pm to 8:30pm. To register please call Lourdes Rollon or Cesar Gomez for class date.

Where can I get my fire extinguisher serviced?

The fire extinguishers need to be serviced once a year or a new one must be purchased and the receipt for it submitted for your records. All fire extinguishers need to have a tag dated with the last time it was serviced. To find a fire extinguisher service center near you, look in your yellow pages or internet. The social worker visiting your home will look for the expiration tag on all extinguishers every year. If extinguishers are new the social worker will ask for the receipt.

Dónde puedo obtener servicio para el extinguidor de fuego?

Los extinguidores de fuego deben ser revisados una vez al año y deben tener un sello vigente con la fecha en que se les dió el servicio.

Busque en las páginas amarillas o en el internet para localizar un lugar especializado en este servicio. El trabajador social revisará las fechas de expiración en los extinguidores. Si son nuevos entonces el trabajador social le pedirá el recibo.
