**Where can I get my fire
extinguisher serviced?**

The fire extinguishers need to be serviced once a year. All extinguishers need to have a tag dated with the last time it was serviced. To find a fire extinguisher service center near you, look in the yellow pages. Social Workers will be looking for the expiration tag on all extinguishers. If extinguishers are new, Social Workers will be asking for the original receipt so please provide it.

**En donde pueden dar mantenimiento a
mi extinguidor de fuego?**

Los extinguidores de fuego deben ser revisados una vez al año y deben tener un sello vigente con la fecha en que se realizó. Para localizar un lugar especializado en este servicio, busque en las páginas amarillas de su directorio telefónico. El Trabajador Social revisará la fecha de vencimiento en su extinguidor de fuego y si es nuevo le pedirá el recibo original de compra, por favor provealo.

**Merry Christmas to all
F.I.H. foster families and children.
Have a wonderful Christmas!**
